

What DO I Do ?

- It's very important to keep focused on the time -- NOT the game.
- One match is composed of two 10 minute halves at the Nationals.

5 Seconds = “TIME”

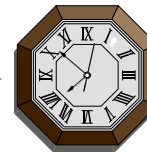

- **Timer begins the clock when the moderator starts reading the first question.**

15 seconds - “5 SECONDS”
20 seconds - “TIME”

- After 5 SECONDS, announce “TIME!”

- After 15 seconds, announce “5 SECONDS!”
- After the total 20 seconds are complete, announce “TIME!”

? →

- **Stop the clock.**

- **The clock cannot move backwards.**

Therefore, track additional time on your watch, then start the game clock after that time has lapsed.

- After the first half has lapsed, announce “HALF!”
- Time the 2 minute break between halves.
- After the second half has lapsed, announce “GAME!”
